SUMMARY

A PETRONAS Scholar and First-Class Honours undergraduate in Bachelor of Information Technology (Informatics Media) at Universiti Sultan Zainal Abidin (UniSZA), with strong skills in 3D modelling and visualisation using Blender and Maya. Experienced in creating detailed 3D assets, environments, and visual presentations with a focus on lighting, composition, and realism. Able to translate concepts into clear visual outputs, with strong attention to detail and the ability to work collaboratively in fast-paced project environments.

EDUCATION

Bachelor of Information Technology (Informatic Media)

Oct 2023 – Present

Universiti Sultan Zainal Abidin

CGPA: 3.75

Sijil Tinggi Pelajaran Malaysia (STPM)

Jun 2021 – July 2023

SMK Kinabutan, Tawau, Sabah

CGPA: 3.33

PROJECT EXPERIENCE

Final Year Project – Salu Sabah (Exploring Sabahan Traditional Attire Through Augmented Reality)

Oct 2025 – Present

- Developed 3D character models inspired by traditional Sabahan attire, focusing on form and visual accuracy.
- Created a workshop environment using lighting, composition, and materials to produce realistic visualisations.
- Applied texturing and colour techniques to enhance detail and presentation quality.
- Produced high-quality renders to communicate design concepts clearly.
- Applied visual storytelling and design principles to ensure clarity and engagement in presented outputs.

SKILLS

Software: Blender, Autodesk Maya, Adobe Photoshop, Unity, Adobe After Effects

3D & Visualisation: 3D modelling, rendering, lighting, composition, texturing, basic animation

Design Skills: Visual communication, layout design, colour theory

Technical: AR development, multimedia production

Interpersonal: Communication, teamwork, problem-solving, time management, attention to detail.

Language: Malay, English.

LEADERSHIP AND ACTIVITIES

Basic 3D Modelling Workshop

Facilitator

2026

- Delivered structured training and guided participants in understanding basic 3D modelling training.

PETRONAS Scholarship Promotion Programme, TTC Kuala Terengganu

Volunteer

2026

- Promoted PETRONAS Scholarship to SPM leavers and prospective students through outreach activities.

PETRONAS SPA PESP Terengganu Programme

Volunteer

2025

- Assisted in programme coordination and supported participant engagement throughout the event.

STPM Team Building Programme

Master of Ceremony (MC)

2023

- Delivered announcements event and ensured smooth programme execution.

ACHIEVEMENTS

- PETRONAS Education Sponsorship Programme (PESP) Scholar
- **Dean's List Award Recipient** (5 Consecutive Semesters)

ADDITIONAL INFORMATION

- Strong interest in working within creative studios and branding-focused environments
- Able to interpret project briefs and translate concepts into clear 3D visualisations
- Strong interest in architectural and environment visualisation
- Willing to learn and improve through feedback in a collaborative environment
